Our class this year will be Principles and Ethics in Practice and Life ~ in this unique class we will be weaving together all the Principles of Ortho-Bionomy and tailoring it to those who attend. Taught by ALL OBAC Instructors. Experience the sheer magic of OB when all the principles are at work! Gain a deeper understanding of what it means to embody OB and how it applies to our lives in a professional and personal way. Share and enjoy the opportunity to experience what sets OB apart, through hands on practice, demonstrations, discussions, questions and play!

The class can also be credit for 2 study groups instead of E&E

The Conference cost of \$350.00 includes the Class and Social Night.
